

## NEWSLETTER FEBRUARY 2018

Welcome to our Newsletter for the first half of 2018.

Due to the generosity of our members, we were able to present a cheque in the sum of \$5,000 to our Charity for 2017, Star Bears.

This money was gratefully received by Louanne Johns who was overwhelmed by the amount. This would nearly cover the cost of one of their camps. She then went on to tell us of the work they did and it was a very emotional experience for everyone at the AGM.

Our Charity for 2018 is Youth Opportunities. We have helped them in the past and are pleased to do so again. They target vulnerable children in year 11 at school and encourage them to turn their lives around and show them how they can become successful in their lives. They have had outstanding success with their programme.

Don Loffler has written books on the impact that Holden has had on the State of South Australia. His talk begins in 1948, when Australia was still on rationing, and when Holden first opened its doors. So many changes have taken place since then and it will be a lovely walk down memory lane for many of our members.

Don loves audience participation and hopes to share your memories from this time.

This will be a very interesting talk and we hope to see many of you, with family and friends, on the day.

Our guest will be Mr Barry Messner, a professional pianist, who plays many styles of music from classical to modern. So ladies and Gentlemen, get your feet tapping and have your requests ready for songs with special meaning for you.
